MEDIA INVITATION TO THE LAUNCH OF THE FREE STATE RECOGNITION OF PRIOR LEARNING (RPL) PROGRAMME

11 Feb 2014

The Free State Provincial Government in partnership with the Local Government Sector Education and Training Authority (LGSETA) is cordially inviting you to the launch of the Free State Recognition of Prior Learning programme.

The launch of the Recognition of Prior Learning (RPL) for technicians in municipalities seeks to ensure recognition of knowledge and experience accumulated over a significant number of years. Most of our people who have worked in certain technical positions in municipalities e.g. plumbing, have done the self-taught work with knowledge acquired in practice and do not have the necessary recognition for their knowledge. The RPL programme is an opportunity for such individuals to be acknowledged through acquisition of equivalent qualifications. This will add to government's drive to create meaningful jobs, develop skills and improve livelihoods.

A total of 400 municipal representatives are expected to attend the Launch of RPL

Details are as follows:

Date: 12th February 2014

Time: 10h00 – 13h00

Venue: Floreat Hall Mangaung Metropolitan Municipality
Bram Fischer Building, Bloemfontein
