Municipal Managers in the Free State Province

REGULATORY SERVICES CIRCULAR 1 OF 2012

Dear Madam/Sir

SUBSCRIPTION TO PROVINCIAL AND GOVERNMENT GAZETTES

It came to my notice that only the Mangaung Metro, local municipality of Mophokare, local municipality of Setsoto and the local municipality of Mophaka is currently subscribed to the Free State Provincial Gazette. It is assumed that the above municipalities are also subscribed to the Government Gazette.

These two gazettes are published each Friday and contain the legislation, regulations, by-laws and government- and provincial notices for that week. This information is of utmost importance to municipalities to ensure that they are up to date with legal matters.

A court of law will not accept ignorance of the law as an excuse if a municipality fails to comply with new legislation because it was not subscribed to any of these two gazettes.

The publication of legal matters in these gazettes creates certainty in law with which a municipality cannot operate.

It is requested that your municipality as a matter of urgency subscribe to these two publications and annually renew these publications at the following addresses:

Government Gazette: Government Printer, Bosman Street, Private Bag X85, Pretoria, 0001.

Subscriptions: Tel (012) 334 4735/6/7

Provincial Gazette: Officer in charge of the Provincial Gazette, PO Box 517, Bloemfontein, 9300.
